

Excursion to Niagara Falls.

The annual excursion of the C. H. & D. Railway to Niagara Falls will occur this year on July 5th. The rate from Cincinnati, O., will be \$7.00. Tickets will be good five days.

Trains will leave Cincinnati about 12:00 Noon. The accommodations will be first-class in ever particular. Elegant day coaches, Pullman and Wagner sleeping cars. This route is the most interesting of any. Going via Toledo, Detroit and the Michigan Central Railway through the best part of Southern Canada, direct to the Falls. This is the only line that passes close to the brink from which a full and complete view of both the American and Canadian Falls can be seen to advantage. Niagara is one of the greatest wonders on the globe—everybody knows of Niagara, and everybody wants to go there. The C. H. & D. R'y was the first to inaugurate these cheap excursions, and always has the best accommodations provided for its patrons. Persons desiring full information about this excursion, should address the undersigned and a descriptive circular will be mailed you.

Chesapeake and Ohio Ry's New Entrance To New York.

One of the greatest improvements ever made for the convenience of passengers to and from New York City has just been completed. A new highspeed ferry service has been established from big Jersey City depot to the foot of 23d street in New York City, where a handsome Ferry House has been erected, with commodious waiting rooms, baggage room, and all conveniences of a modern Union Depot.

The ferries used between Jersey City and 23d street are just from the ship builder, and all that can be embodied in modern up-to-date passenger steamers. They are large "double deckers," and the landings on both sides of the river are so constructed that passengers can get aboard or ashore from both docks at once, thus saving the trouble and annoyance of going up or down a crowded stairway.

In connection with the 23d street station, a line of handsome and comfortable cars has been established that will take passengers to or from any part of New York City, a charge of 25 cents per passenger for a mile and a half or under, and 15 cents for each additional mile or fraction. Trunks will be taken with passengers in four wheel carriages at 10 cents each. The charge for passengers in four wheel carriages is 40 cents on same distance basis as hansom. Valises are taken charge of by driver in either hansom or carriage at 5 cents each; no charge for valises carried in hand.

This new station is in addition to the Court and DeBrosses street stations these are still in use for persons going direct to the lower, or business end of New York City, but for persons desiring to go first to the hotel district the 23d street station fills every need. Land passengers only a few blocks from Fifth Avenue and Broadway. Every prominent hotel is within easy reach. Passengers leaving Lexington on the Chesapeake and Ohio Limited Vestibulated trains have the comfort of riding in through sleepers to New York without change, making from three to five hours quicker time than via any other line.

Leave Lexington 11:25 a. m. and 8:50 p. m. daily.
Arrive 23rd St. N. Y. City, 12:50 a. m. and 9:15 p. m. daily.
Arrive 23rd St. N. Y. City, 7:55 a. m. and 4:55 p. m. daily.
Arrive Lexington 8:00 a. m. and 5:20 p. m. daily.
